## BOOK SYNOPSIS

Want to develop better math skills when working with word problems? This updated edition can help anyone who wants to improve scores, supplement a current course of study, or brush up on basic problem-solving skills before taking a standardized math test. 501 Math Word Problems provides what people need most to improve their basic math skills quickly and effectively—practice! Gaining familiarity with this specific question type is a proven technique for increasing test scores. This book allows the student to implement a step-by-step approach to each math word problem encountered, avoiding the possibilities for careless mistakes. The format makes this book a valuable study tool for the SAT, GRE, GMAT, and other standardized tests.
