## BOOK SYNOPSIS

Sous chef Aimee Tierney has the perfect recipe for the perfect life: marry her childhood sweetheart, raise a family, and buy out her parents restaurant. But when her fiance, James Donato, vanishes in a boating accident, her well-baked future is swept out to sea. Instead of walking down the aisle on their wedding day, Aimee is at James s funeral a funeral that leaves her more unsettled than at peace. As Aimee struggles to reconstruct her life, she delves deeper into James s disappearance. What she uncovers is an ocean of secrets that make her question everything about the life they built together. And just below the surface is a truth that may set Aimee free or shatter her forever. A luminous debut with unexpected twists, "Everything We Keep" explores the devastation of loss, the euphoria of finding love again, and the pulse-racing repercussions of discovering the truth about the ones we hold dear and the lengths they will go to protect us."
