BOOK SYNOPSIS

Now everyone can participate in the Seder, even if you or your guests cant read Hebrew. This user-friendly, handy, economical Haggadah is a marriage of two popular concepts: the original ArtScroll Family Haggadah with translation and instructions; and a transliteration that enables those who cannot read Hebrew to recite the Hebrew text. Every phrase, its transliteration and translation are presented in a linear format that makes it easy to read and understand. Clear, detailed instructions and short comments make this the perfect haggadah for a beginner or a veteran. And the economical price make this a great choice for every participant at your Seder table. A perfect blend of utility and economy.
